

NASHVILLE: THURSDAY MORNING, FEB. 16, 1954.

MR. DEWEY'S LECTURES—CHRISTIAN CHURCH. LECTURE IV—THURSDAY, FEB. 16. On the General Influence upon Human Culture, of the occupations of life, and the arts of expression.

WE have on hand the best of speech of Mr. SYKES, of Maury, in reply to Mr. BAKER, of Montgomery, on the subject of the East Tennessee bonds issued by Gov. JOHNSON. We will endeavor to find room for this speech in our Saturday's issue.

THE ZOLLIANS. We notice that there is some controversy of opinion among our contemporaries at Shelbyville about the merits of this company. The Zollians speak of them in anything but complimentary terms; while the *Expositor*, with a more just judgment, thinks, pronounces them "a most splendid set of performers," and says, "what we have no doubt is true, that the people of Shelbyville were delighted with them."

We have seen all the best companies of the kind in the country, and really think the Zollians all we have represented them to be. Among the intelligent audiences who listened to them here, there was but one opinion of their merits, and that was highly favorable. As to the intimation that the press spoke favorably of the company for pecuniary reasons, we can only express our belief that such an idea is entertained by those alone who are themselves, base enough to be influenced by such motives. The editorial notices of concerts and other performances, in our columns, are always gratuitous, and given only when they are believed to be merited. We may not always agree with others about such small matters, but we never fear that honest men will improve our motives.

THE "SWISS BELL RINGERS." We learn that these artists will give another series of concerts in Nashville next week. During their late sojourn here they were unable, in consequence of the combination with the Panopticon then on exhibition, to display the full extent of their musical abilities. On their return, however, they will be unembarrassed by other exhibitions, and will consequently give to their concerts the variety and attractions which have won for them such general popularity.

THE DRAMATIC CLUB. This company of amateurs give another performance on Saturday evening next. The bill for the occasion is highly attractive, consisting of three pieces, "The Maid of Orleans," "The Hunter of the Alps," and "Bambas Furius." We hope to see a large audience in attendance. The object of the Club in giving these entertainments is highly meritorious, and their efforts should be seconded by a benevolent public. Besides, we think, the young gentlemen display no mean share of dramatic talent, and on this score are entitled to respectable audiences.

NEW WHOLESALE HOUSE—We are pleased to notice the addition of another wholesale house to the trade of Nashville. Messrs. GARDNER, SHEPHERD & Co., are now opening a very large and superior stock of Shoes, Hats, Straw Goods, Trunks, and Carpet Bags, No. 56 Public Square. This is a very important branch of the whole sale trade—one which will give increased facilities for filling orders from the country. We wish these gentlemen abundant success, and we cheerfully recommend them to the attention of our friends.

FIRE—On Tuesday night, about eleven o'clock, the blacksmith shop of Messrs. VANDY & TROTT, located on the corner of Second and Third streets, was completely destroyed. Through the energy of our efficient firemen no other damage was done.

NEW ORLEANS, Feb. 11.—The House of ELLIS and LEE has failed, also one other Commission, one Cotton and one Grocery House, not important.

THE GARDEN TREATY.—We have reason to believe that the Garden Treaty has been sent into the Senate with recommendations for its very extensive amendment. It cannot be that it will be finally ratified in a shape less considerable time yet.—Washington Star.

A NEW CHARGE TO VENEZIA.—Mr. Charles Eames, late associate editor of the Washington *Times*, has been nominated to be U. S. Charge to Venezia. His nomination went into the Senate yesterday.—Washington Star.

THE GARDEN TREATY.—We have reason to believe that the Garden Treaty has been sent into the Senate with recommendations for its very extensive amendment. It cannot be that it will be finally ratified in a shape less considerable time yet.—Washington Star.

EDMUND M. GOLD has recovered \$10,000 damages from Gardner, Leger & Co., of New Orleans, for false imprisonment.

WE are authorized to announce L. W. FOSBER, as a candidate for reelection to the office of Sheriff of Davidson county, at the next March election.

WE are authorized to announce J. K. EMMONS, as a candidate for the office of Sheriff of Davidson county, at the next March election.
